Case Number: AF 09-0688

870 Sanders Ave., Unit B
Bozeman, MT 59718

April 15, 2017

Supreme Court Justices of Montana:

I wish to let you know that I support the adoption of rule 8.4.

We are all born with certain body parts, and that is beyond our control.
We are all born with certain hard wiring in the brain, and that is beyond our control.

In some persons, the body parts and the brain hard wiring don't match up the way it does in the majority of us, and it is beyond control. Everyone deserves to be treated with respect and to have equal access to public and legal services.

Sincerely,

Judy Staigmiller
